Coming Soon: New Website and Logo for the Wyoming Judicial Branch

May 6, 2025 – The Wyoming Judicial Branch is pleased to announce the launch of its newly redesigned website, going live on May 13 at our new domain: www.wyocourts.gov. This modernization initiative reflects the Branch’s commitment to accessibility, transparency, and innovation in line with our Strategic Plan.

The redesigned site features improved navigation, enhanced search capabilities, ADA compliance, an interactive legal help guide, and a modern layout built to serve both the public and legal community. It also debuts a new logo for the Wyoming Judicial Branch—one that reflects the values, vision, and professionalism of our state courts. All current URLs will redirect seamlessly.
